**Form 990, Part III, Line 4a - Statement of Program Services (Cont.)**

In addition to being ready to transform their lives, applicants must meet all of WWIN's eligibility criteria and submit all required documentation to be considered.

Education Grants remove a financial barrier to women seeking a higher education. Education Grant recipients receive up to \$5,000 over a one year period to pay for tuition, mandatory fees, required books and supplies at the approved Washington college or university of their choice. In fiscal year 2019 WWIN funded 64 Education Grants.

Additionally, to increase grant recipients likelihood of graduation and success, and to engage with them on a continued, long term basis WWIN introduced the Star Scholars Program in 2014. WWIN Star Scholars are eligible to receive grant funding for each year of their college career, up to \$20,000 toward their first bachelors degree, provided they meet educational benchmarks and make progress toward their goals. During our spring education grant cycle, we were proud to announce a strengthened investment and commitment to ALL WWIN Education Grant recipients. We began implementation of our new programs strategy and were able to transition 33 dedicated education grant recipients into the Star Scholars program where they have the opportunity to have WWIN support through the remainder of their college career. Additionally, WWIN funded 71 Star Scholarships to new and returning Star Scholars. In total, WWIN funded 168 Education and Scholar grants in FY19.

WWIN's Health Care Gap Fund Grant Program ensured access to physical, dental, vision, and mental health care services that were within the scope of WWIN's traditional services but uncovered by Apple Health insurance coverage. Women were able to apply

for funding for one or more of the following, which we had identified as being gaps in Apple Health coverage: dental crowns and bridges; glasses and contact lenses; in some cases, health care provider access issues; and for reasons such as availability, geography, or language barriers (including for mental health care provider access issues).

In fiscal year 2019, there were only 19 eligible applicants as determined by a health care grant review committee. WWIN funded 100% of those eligible applicants, totaling \$27,030.

With the implementation of the expanded Medicaid program (Apple Health) on January 1, 2014, WWIN's health care applicants now have access to free and comprehensive health insurance coverage. WWIN adjusted its previous healthcare programs to cover the services that were critical, but uncovered, and continued to monitor the health care needs of women in our state. Over the past several years the requests for WWIN healthcare grants has declined as more women are able to access these services through Apple Health. In May 2019, we closed our health care gap fund grant program.

WWIN has always strived to provide women with opportunities, inspiration, support, and advocacy as they work towards the achievement of their goals. Our new program strategies are designed around supporting a woman to define her own pathway and goals, to complete her education, to connect with a career that she is passionate about and that can sustain her financially, and to be able to advocate for herself and others. We are so grateful to everyone who participated in our strategic planning process. We are excited to continue implementing our new programs strategy during fiscal year 2020 with the launch of three new WWIN grant programs: Pathways to Success, Resiliency Grants and Career Launch.
