# Table Captain Tips

## Spread the Word

Extend an invitation to friends, family, neighbors, colleagues, or anyone in your network who shares an interest in empowering women. Use your sample script and Social Media Playbook to spread the word effectively leading up to the event. If you have trouble filling your table, please let us know and we may be able to help.

## Personal Invitations

The best way to fill your table is to extend a personal invitation to guests. If you start with an email, consider following up with a phone call. Use the form of communication that works best for your invitees, and remember that it can take 15 invites to receive 10 RSVP's. Printed invitations will also be available in January.

## Share Your Enthusiasm

Share why you are passionate about supporting the women of WWIN. Let guests know that there will be an appeal for support with a suggested minimum donation of \$150 per person. Together we can lift up the women in Washington and give them the opportunities, inspiration, support, and advocacy to turn their dreams into reality.

If someone can't attend, encourage them to make a donation [online](#) instead.
